

NATIONAL SOCIETY OF ALLIED HEALTH

2020 Annual Conference and Meeting

April 2-4, 2020

Florida Agricultural and Mechanical University

Tallahassee, Florida

Coronavirus (COVID-19)

After discussion and consideration, the NSAH Board of Directors has decided to cancel the 2020 Annual Conference and Meeting. Based on recommendations of the Centers for Disease Control and Prevention (CDC), the state of emergency in the state of Florida, and the direction of the Florida A&M University in management of the coronavirus COVID-19, we want to support and respond effectively to this national health concern. Therefore, all activities related to this conference are cancelled. This situation is changing every day and we are unable to speculate on another date. Therefore, we are planning for next year and hope you will be able to join us. We want you to stay safe and recommend that you continue monitoring CDC announcements and carry out the personal precautions recommended.

Thank you for your continuing support of the NSAH.

Montrale D. Boykin, JD

NSAH President
